## **TERMS AND CONDITIONS FOR SIM CARDS (ISP 8806)**

### **Cost of SIM card**

The cost of each card is US\$30.00 / S\$50.00. (This is to cover our administrative, handling and delivery costs). This amount shall be debited from the following month's bill. The cost of replacement for lost (or stolen) card is US\$50.00 / S\$90.00.

### **Deposit**

A cash deposit in the form of a Cheque, Cashier's Order, Telegraphic Transfer (TT) or Banker's Guarantee (BG) is required. Such deposit is non-interest bearing, and shall be refunded within six (6) months of termination of service, subject to full settlement of all outstanding accounts with us. The deposit will be reviewed periodically and adjusted from time to time, in order to cover our liabilities to third parties. The deposit quantum is as follows:

<b>For Local Customers where the deposit is in S\$:</b>	
First 5 SIM Cards/terminals	S\$1,500.00 each (total: S\$7,500.00)
Next 10 SIM Cards/terminals	S\$1,000.00 each (total: S\$10,000.00)
More than 15 SIM Cards/terminals	No More Deposit Required

<b>For Foreign Customers where the deposit is in US\$:</b>	
First 5 SIM Cards/terminals	US\$1,000.00 each (total: US\$ 5,000.00)
Next 10 SIM Cards/terminals	US\$ 600.00 each (total: US\$ 6,000.00)
More than 15 SIM Cards/terminals	No More Deposit Required

### **(NOTE:**

- 1. If an ISP8806 customer is also a customer of RS06, the customer can opt to have the charges included in their RS06 bill, in which case, no further deposit is required.*

*If a RS06 customer with mini-M or M4 terminal(s) and/or SIM card(s) under ISP8806 prefers to have a separate bill from ISP8806 (instead of a consolidated bill from RS06), such deposit is still applicable. )*

### **Annual Fees and Registration Charges**

Annual fees and registration charges will be waived. This will translate into great savings on your communication costs.

### **Commission (Handling Charge)**

The commission ('handling charge') for handling your invoices is 5% of the total charges in the bill, which is one of the lowest rates in the market.

### **Billing and Payments**

Maritime Communications Services Pte Ltd (ISP8806) shall bill you for all your satellite charges incurred by your card(s) on a monthly basis. The amount due on the bill(s) shall be payable within thirty (30) days from the date of the said bill. The amount in the bill shall be considered accepted if no objection is received within fourteen (14) days from the date of the said bill. If the bill is not settled by the due date, the SIM card(s) will be barred and the

services suspended. Unbarring will be performed within 1 week only after the full amount (i.e. including any penalty for late payments) has been paid.

Interest of twelve per cent (12%) per annum shall be charged on all outstanding amounts in the account if payment is not made by the due date. In such a case, a notice (reminder) shall be served to recover the arrears. ISP8806 reserves the right to suspend the services at any time in case of fraud or delinquent payments. Also, the service providers and the Administration concerned may be notified, as soon as it is established that we are unable to collect payment from the customer.

This information will enable the service providers to cease accepting calls from the card(s)/terminal(s) in order to prevent the delinquent debt(s) from ballooning.

### **Card Handling and Service**

- a) The customer is required to take the necessary precautions to prevent unauthorised usage of the SIM card(s). If the card(s) are lost or stolen, the onus lies on the customer to inform us immediately in writing to deactivate the SIM card(s) and/or blacklist the terminal. The customer will be responsible for all the calls made through the card(s) until the card(s) are deactivated.
- b) For termination of service, the SIM card(s) MUST be returned to ISP8806 immediately, and any outstanding amounts must be settled promptly.
- c) Change of address, contact details and other particulars MUST be notified to us immediately, so that our billing records can be kept current and our services to the customer can continue uninterrupted.
